

## DIRECTIONS TO DOLVEAN HOUSE

**ARRIVING BY ROAD:** Using your google sat Nav, type TR11 4DQ we are no 50. That will find us.

Arriving to the outskirts of Falmouth via the A39 from Truro. Follow the direction signs to Falmouth along a new stretch of road (passing Asda supermarket on your left).

After passing 'Hillhead' roundabout with a pair of cannons and an anchor on it, keep left and go down a steep hill, finishing at a roundabout which is gravel, rocks, palm trees, which is known locally as the "Desert Island."

- At this point turn right, signposted Docks and Castle. This roundabout is approximately 1¾ miles (2.8 km) from Dolvean House. After 200 yards (180 metres) and keeping in the right hand lane, go straight on at roundabout keeping McDonalds on your left. Look for signs to Docks and Castle.

Up over the hill about half a mile (800 metres) go straight on at traffic lights near the petrol garage on the right.

- After another quarter mile (400 metres), take second exit at mini roundabout (effectively straight on). Still signposted Docks and Castle.

After another quarter mile (400 metres), go straight on at mini roundabout, near the Merchants Manor Hotel on right. The road goes down a long dip, then back up the other side. Slow down as you approach the brow of the hill. Dolvean House is on the left opposite The Tudor Court Hotel. We have our own car park at the rear of the building to the left. (Please park between the lines) Do stop by the front entrance before if you require help with your luggage.

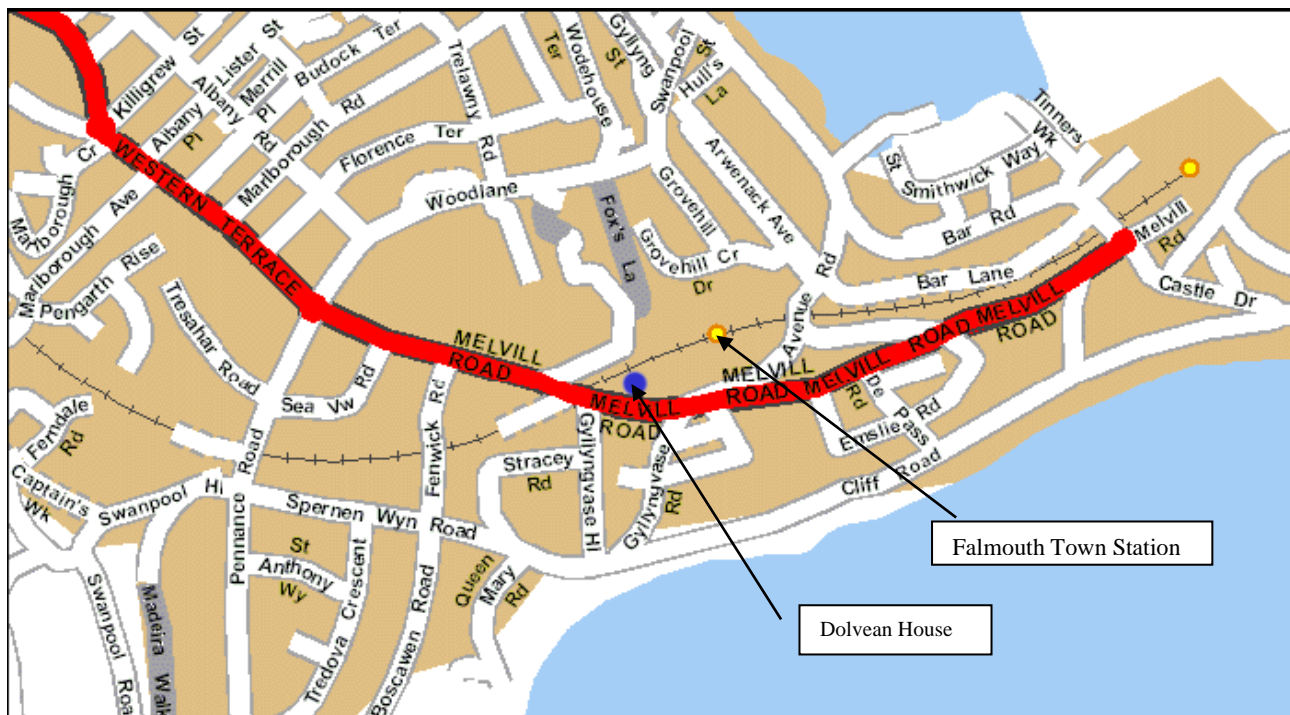

### **BY TRAIN**

Alight at Truro, cross over to platform 1 where the branch line train to Falmouth departs and passes through Perranwell, Penryn, and Penmere Halt, before arriving at **Falmouth Town** station, where you should alight. If by mistake you miss this stop, don't worry, the train proceeds to Falmouth Docks station (3 minutes journey) and then stops, and then returns back along the single track, and stops again at Falmouth Town before returning to Truro.

On leaving the platform go down the ramp towards the car park. At the bottom of the ramp follow the pavement round to the right, out onto Avenue Road, and up the hill under the railway bridge.

Keeping on the right hand pavement, go uphill along Avenue Road to it's junction with Melvill Road. This is about 100 yards (90 metres). At this junction stay on the right hand pavement, and turn right onto Melvill Road. Dolvean House is about 50 yards further along.
